ABOUT ME

I'm Abdul Majeedh Muhammadhu Amjad, a first-year BSc Information Technology undergraduate at Rajarata University of Sri Lanka.

I have experience with **Python, C, C++, HTML, CSS, JavaScript, React, and MySQL**. I'm currently focused on mastering the **MERN stack** (MongoDB, Express.js, React, Node.js), **Asp.NET core** and **Springboot**.

My goal is to build practical, real world web applications and become a skilled MERN stack, .NET and Springboot developer. I'm a self-motivated and passionate learner, eager to grow in modern web development.
